T, J & J (Bangladesh, USA) June 22, 2022

Praise

- Ghr Muslims.
  This evangelistic meeting is continuing by God’s protection and we are encouraged by the responsiveness of those coming. Convictions by the Holy Spirit and the Word over sinfulness and need for change are beginning to flow.

- Nbkt Church.
  A member of the church opened up his doors to meet on his property. We built a temporary structure for the church to meet in. Believers are relieved and encouraged.

- Bangladesh Travel. Thank God that the international travel Covid PCR test requirement has been lifted. This was a huge complication for us going to Bangladesh. We can now begin carrying out original plans for going back and forth to Bangladesh. Only pray the lifted ban stays permanently
• Support. We live and serve month to month by the gifts that God provides through His children and churches. We thank Him for the gifts He has given and for the faith that He gives us to trust Him regardless of economic times and degree of needs.

Pray
• Pastor M. Pray for Pastor M’s full recovery. Pray for the protection of him and his family. Pray that those who beat him will not pursue him more and will not cause more trouble for the ministry.

• Holy Boldness. Pray for us evangelizing in New York and for our pastors, their wives, and church members, to all grow in holy boldness to beam the light of the Word to a hostile audience. Pray for a surge in evangelism and open doors.

• Sbcr Open Doors. The strongest resistance to the gospel has been in Sbcr and New York. Our church-plant is the only witness in Sbcr. Pray for Muslims to overcome fear and for doors to be opened there. Pray for breakthroughs. Pray for N and his wife who are serving there.

• Our Refreshment And Strength. Pray for T, J, and Jr’s renewal. The daily concern for the churches, crisis situations, heavy equipping work, financial pressures, and evangelism to Muslims is altogether a weighty work.

• That she would be an example of what a life transformed by Christ looks like in a community that does not know Him.

CENTRAL ASIA
Ik (Tajikistan) June 9, 2022
Ik was called and interrogated by the KGB, was warned and fined for not having the right to teach people. For three hours Ik was with his interrogator. Ik told him about Christ, he told Ik that this is the first time he heard. May the Lord bless him so that he opens his heart to Christ.

Pray for Ik’s safety and that he will not be fined.
EASTERN EUROPE

Susan (Romania) June 24, 2022
Please pray:
- For the grace of God to work well in recruiting my replacement and raising support in Romania for this position and that God would raise up new leaders in the grad ministry.
- That I would coordinate well and have good pacing and rhythm to do all the things I need to do, in this last year of ministry to finish well - discerning at each stage of the game what is important and urgent – to keep up a healthy, positive sense of urgency.
- That I would truly love and serve those in my spheres of focus, influence and concern as I bring closure in relationships to some and as I work out continuing relationships with others. (I plan to spend some of this summer traveling around to eight different cities, spending time with people in the ministry who I have served and served with – old friends and new.)
- Through the unique challenges and joys of this transition season of life, I would be able to receive from God, the grace, peace, strength, guidance and Captaining that He has for me – and experience His abundance.

A & E (Turkey) June 7, 2022
Please pray for a successful appeal: God would bless our lawyer as he builds our case and attempts to take on this powerful, unjust system. He would experience God’s peace and presence, and have the wisdom of heaven in his work. Please also pray that A does not receive an entry-ban: we travel to the US next week and will likely find out... Thank you so much for standing with us in prayer during these dark days!

AFRICA

Dwight & Miriam (USA, Africa) June 22, 2022

I, Dwight, depart tomorrow Thursday to Nairobi, Kenya, for about two weeks on ACTEA assignment. I will join and lead a team of five of us to work on an important initiative specified by the newly approved ACTEA Strategic Plan 2022-2026. We are reviewing and updating the ACTEA Standards which identify and measure quality in theological education for Africa--for the result of equipping competent leaders for the church and also for transformation of society.

Pray for a successful completion of our task through the Spirit's presence, imparting wisdom and understanding.

NORTH AMERICA

Dominic & Gladys (Canada) June 9, 2022

Please pray
● for wisdom as we reach out to the two families from the Pashtun tribe of Afghanistan. Pray that our plan to invite them for dinner at our house will materialize. Pray that as we continue to relate to them as neighbors, they will see the love of the Lord Jesus Christ. Pray especially for their children, that as they grow up here in Canada, they will meet Christian friends who will lead them to the Lord.
● that Ali who was hit by eight bullets will have a complete healing. He still cannot fully use his hand.
● that we will be able to help Mansoor to find a job. He is 16 years old but would like to work at some coffee shop or find a job to help the family.
● for God’s protection as we minister in our neighborhood. Recently there have been several drug related incidents in this area. One car in the parking lot was burned. Pray for the ministry of the Holy Spirit in our lives, that we will continue to have peace, and joy and the inner strength that we can carry the work of the Lord in spite of the many challenges we are facing

G & E (UN, USA) June 20, 2022

Praise

● We are rejoicing over the work of the Holy Spirit in the lives of so many leaders of nations to convict them to be God’s instrument in the lives of their people.

● The number of leaders of nations who are willing to explore faith in Jesus or who, as believers, want to live lives of obedience to Him as His instruments.

● The privilege of being able to walk alongside these leaders in their journey toward Eternity.

Prayer Requests

● God would provide access and the ability to impart God’s Word to the 500 million government decision-makers globally.

● God would raise up an army of believers equipped to personally shepherd governing officials in serving as God’s instruments.

● Among those heads of nation we are pouring into, God would raise up one who would lead that nation in becoming a model and inspiration to other leaders watching their lives so that they would also seek the blessing that comes from obedience to our Lord. We see heads of nations inching closer to that commitment. Let us pray that it will happen in our lifetime and speed our Lord’s return.

● Safety and health for the whole Christian Mission for the United Nations family, including supporters, Board and the Allen family. Please remember all those in the Christian Mission family who are suffering the pain of loss.
